### APPARITION OF THE GLORIFIED CHRIST JESUS ON THE SIXTH DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

***Friar Elías del Sagrado Corazón de Jesús:***

*The mothers of the Order may draw near the foot of the Altar.*

*We will ignite our candles for this moment of encounter with Christ, seeking to maintain quietness before the Presence of Christ.*

Despite all that which you already know that I lived, there is something that humanity does not know up to the moment, which was a deep experience that I lived for you and for the world. It was what sustained Me so that I might have the courage to drink from the Chalice in the Garden of Gethsemane, so that I might have the strength to kiss the Cross before carrying it and take My steady steps to the top of Mount Calvary, where the Tree of Life would stand for the first time, totally surrendered and self-sacrificing for His own.

This experience of Love that I lived in a tender, deep and spiritual way, was that of being able to feel the intimate Love of My Mother and of the holy women, the women walking on Earth who revered the Precious and Beloved Son. Even after all that I did for the world, even being rejected, humiliated and severely martyrized, after so many miracles and prodigies, so much liberation of souls from impure spirits, after each one of My Words pronounced in the Gospels and, above all, through My Parables, despite all that happened and was lived by Me and by each one of your brothers and sisters on Earth at that time.

The sacred Fidelity of the holy women and the Mother of all Her children, was what elevated the Will of the Lord so that, under the Omniscience and Omnipresence of the Father, I might do what you know I did for you.

Despite the suffering and the pain of the Lord, not only in that time, but also in these times in the face of the planetary situation, in the face of the grave lack of love in humanity, I return here today, in the name of God the Father, to deliver to Mine the codes achieved through the merits of My Passion.

Today, when My five main Wounds of Light radiate to the four corners of the Earth, I come to try to transfigure your paths and the paths of your brothers and sisters, transforming them through the power of My Precious and Divine Blood, carefully held and watched in the Ark of the Holy Covenant by the four angels that guard the Sacred Ark.

But today I want you to dwell on something very important, beyond the fact that you know for yourselves My pains in the Passion. I want you to dwell on the important teaching that I left to you about Love, because I know that each one of you carries your own cross, with greater or lesser weight upon your backs.

But what should encourage you to continue, despite the consequences and traumas, just as the Lord, in His Calvary, continued without doubts, fully trusting in the life of the spirit that the Eternal Father was granting to Me, at each step of the Calvary, through Archangel Michael?

My Friends, My children, in these times I want you to keep very much in mind this first teaching that I gave you about Love. Because the redemption of the human race, in that time of My Cross, would not have been possible if your Master and Lord had not given His ‘yes'.

Because the power, and even the authority that I could have made use of to overcome all evil, was collected and secretly kept so that, after the Death on My Cross, all the spirits and souls of the world could be rescued and saved.

But your feet, companions, as well as the feet of your brothers and sisters in the world, after the experience lived with Me in the Holy Land, walked on other paths that were not My paths.

Thus, through this Sacred Week, I once again make you return to My only true path, which is the path of Love, so that you may be anointed by My Spirit and My Divinity, and your deepest and hidden traumas may be dissolved, and the healing of the soul and spirit in each one may take place according to how the Law of Grace and Mercy grants it.

Just as today, the mothers of this Order, on behalf of all mothers of the Earth, carry a lighted candle, representing the vigil and adoration to the Lord during His most painful agony on this Good Friday, I want you to remember, through this powerful flame of the Spirit of the Lord, that you must keep vigil, pray and watch for My Love in the world; first in yourselves, so that then you may preserve and take care of the Love of Christ in others.

When in truth, companions, you have lived the deep experience of Christic Love, preciously permeated by the codes of the Blood and Water of Jesus, I assure you that I will not need to repeat this to you again, because through your own experience of love day by day and, above all, with your brothers and sisters you have by your side, one of My many promises made to the Eternal Father will be fulfilled: that you love one another, just as I love you. May God come first in your lives, before everything.

Why do I say this to you?

Because humanity is changing the course of its path, through the events and even modernities, in which there is an attempt to replace the Living God with artificial gods, in which all human sensitivity is blocked and paralyzed. For those who make contact with this, I need that you may keep this very much in mind, so that you may not be deceived.

God wishes and aspires to govern your lives through His Son, just as He silently tries to do it every day by means of your paths of transformation and redemption, love, service and charity.

This is what will maintain your spirits alive on Earth and, although there are currents contrary to God's Love and divine life, I assure you that, if your consciousnesses keep these attributes alive, there will not be anything contrary that could make you falter, because God's Love will guide you, just as God's Purpose guided His Beloved Son, until He died on the Cross, pierced and disfigured by the sins of the men and women of Earth, so that, as from the Sacred Death of Jesus, humanity might have abundant Life.

Some wonder: why is it necessary to relive the Passion of Christ every year?

It is because humanity forgets, in just one instant, Who I was for you and the world, and what I represent as a living part of the Creator, as an intermediary and mediator between souls and the Eternal Father.

If no one follows My Path, My Truth and My Life, and does not even remember Me once a year, what result will come from the life of those who have chosen other paths?

It is not necessary to be a visionary to understand and comprehend it, for the signs of the times will be clear. And it is the legacy of Christ, in the hearts and intimate life of all the souls that have faith in Me, that will perpetuate the Love of God and of Christ in the world, regardless of what may happen in this difficult planetary transition.

Therefore, remember that, just like the flame that you carry in your hands today, so must the flame always be ignited in your hearts: the flame of the Purpose, the flame of Love, the flame of the Truth that will make you free.

Thus, at this sacred moment, when Heaven and Earth unite in communion and life, through prayerful hearts and through God, I come to deliver to you, through My Spirit and Divinity, the Spiritual and Sacramental Communion, the same that My Most Holy Mother received through the hands of Archangel Gabriel.

***Friar Elías del Sagrado Corazón de Jesús:***

*Let us place our hands in a sign of receptivity. Let us open our hearts even more, to receive from the Sacred and Unfathomable Heart of Jesus, the same code of Divine Energy that Christ received in the Garden of Gethsemane in a luminous and resplendent way.*

*Let us take our hands to our hearts, and commune spiritually, in gratitude and love. Let us commune for all those who, at this hour, forget Christ, so that God may have Mercy on these souls, and that they may awaken to the truth.*

*Let us pray:*

*Most Holy Trinity,*
*Father, Son, and Holy Spirit,*

*I adore Thee profoundly. I offer Thee*

*the Most Precious Body,*
*Blood, Soul, and Divinity of Jesus Christ*

*present in all the Tabernacles of the Earth,*

*in reparation for the outrages, sacrileges, and indifferences*
*by which He is offended.*

*And by the infinite merits of the Sacred Heart of Jesus*

*and the Immaculate Heart of Mary,*

*I beg the conversion of poor sinners.*

*Amen.*

And just like this rain, which falls at this moment to purify, wash and nourish the earth, just as the elements, devas and angels, the Kingdom of Figueira, commune in the Presence of Christ, in the same way I bless all the crosses that you have brought to My Feet, and I mainly relieve your spiritual cross.

In the name of the Father, the Son and the Holy Spirit. Amen.

Be brave and have faith. I Am here to help you.

On this day, when we celebrate the victory of Christ, your Master and Lord, over all evil and adversity, I come here to institute the blessing of the Sacrament of Marriage, because families in the whole world are being attacked and divided.

On behalf of all the families present here and those not present, I have chosen some couples to bless them today with My Spirit through the anointing, blessed water and incense, so that, in this unity between souls that love each other and live together, the Purpose of God may be re-established in the cell of the families.

***Friar Elías del Sagrado Corazón de Jesús:***

*We will prepare ourselves now for this moment, at the request of Christ, Our Lord.*

*He will withdraw, but He will come back to bless those He has chosen on behalf of all.*

*While we prepare ourselves, we will sing to Our Lord, remembering the power of His Most Precious and Divine Blood, so that it may bathe and purify us, like this rain that falls at this moment, and may liberate us from prisons and pain.*

*In the name of the Father, the Son and the Holy Spirit. Amen.*

*Let us sing and proceed to an interval.*

*Song: "The power of the Blood."*

*Brothers and sisters, we will accompany this moment of blessing and consecration that Christ has asked for.*

*We will profoundly unite to all that which Christ said to us, keeping very much in mind what families and above all marriage mean to God.*

*I want to clarify that we will carry out a blessing and a consecration, which is not a marriage. I am clarifying this at the request of the Lord.*

*Brothers and sisters, you may come.*

*We will pray together one Lord's Prayer, one Hail Mary and one Glory Be in Portuguese, so that the Lord may bless and unify these souls in one spirit, in one heart, in one love and life, so that His Attributes and Graces may become present in their families.*

*Now we pray in English.*

Now, consecrated to Me, your families and, above all, your matrimonial and spiritual union must be a nucleus of Light, understanding and above all love, so that the values and principles of the Sacred Family may descend upon you and upon all those who have united their lives to live together.

Through this simple yet profound moment, your Master and Lord, Jesus Christ, comes to bless you with His Spirit and His Peace, so that the nucleus of the human family may be rebuilt and sheltered, and protected from all influences of evil, for the triumph of Love of the Father, the Son and the Holy Spirit in all families.

May your hearts rejoice.

May the union between your souls grant to you evolution, the experience of love and charity for your fellow beings.

I bless you, consecrate you, under the Triune Unity, in the name of the Father, the Son and the Holy Spirit. Amen.
