Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil to the visionary Friar Elías del Sagrado Corazón

Free your heart from all the tiredness and surrender with confidence into My arms, so that your tireless spirit may rest in Me.

Leave behind all bitterness and detach from within you all that is not love, because by my beloved Son having suffered all the martyrdoms, the Lord has shown you the unconditional path to find fortitude.

I come to ask you to surrender to Me and allow My Heart to work through you, for I still have to calm the despair of the world.

Submerge yourself promptly in the ocean of My Grace and you will be able to be near My Son, feeling His unfathomable Heart and fully living His Divine Consciousness.

Surrender into My arms, and you will know what to do, with wisdom and discernment.

Withdraw from fear, and day by day draw closer to the Love that is born in the Primordial Source.

The triumph of My Son is in the redemption of your life and in the conquest of your heart, so that He may dwell within you.

Cultivate a spirit of meekness and, in this way, you will receive from Above the keys of Heaven, just as Peter received them when he trustingly surrendered his life into the Hands of the Lord. And you will not only be a part of the Fisher of people, but also a part of a fraternal community formed by the Spiritual Hierarchy.

Go forward! And leave discouragement behind, do it for Me. Hope is possible.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
