DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, may the Universal Sun be born within the children of God so that darkness may be dispelled from all corners of the consciousness.

Let hearts be re-ignited in the commitment to live in God and to be a part of His Designs.

Let this Universal and, at the same time, spiritual Sun, erase the consequences of the errors of humankind so that souls may draw closer to the Divine Mercy of the Celestial Father.

May hearts be able to feel and recognize the call so that the doors of Grace and Redemption may remain open, so that creatures may achieve freedom and deeply participate in spiritual Communion with the Eternal Father.

It is the time of definitions, as well as the time of Mercy. The Good News is announced so that hearts may find the meaning of being here, on Earth, the reason for which they were called to fully serve God the Father.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
