

Prayer to Reach the Maternal Spirit of Mary

*Our Lady lovingly asks all the mothers of the world
to recite this prayer to reach Her Maternal Spirit.*

Sacred Virgin Mary,
Who gestated in Your Womb the Love of God,
and from Whose Womb was born the Supreme Life
that gave Itself to us in Mercy and Redemption.

O Sacred Mother!
Queen among all mothers of Earth,
permit that we may live Your Maternity
so that, for the days to come,
we may recognize the face of Your Beloved Son Jesus
in the faces of our children.

Amen.
