

Christic Impulses

October 2016

Phrases extracted from the daily messages of Christ Jesus

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						1 It is time to transfigure the past for a good future of Graces and of Blessings. My Heart will make rehabilitate some consciousnesses, who have forgotten My trustworthy Heart.
2 When you truly feel alone, My Wisdom invades your little spirits and consoles the soul that needs the strength in order to continue on My Path.	3 Forward! With faith continue on My Path of transformation, for the goal indicates a future of peace and of unity with the Most High.	4 I am speaking directly to those who are most simple, and not to the learned, nor to theologians or philosophers of spirituality, because the science of My Love is in truth not yet known.	5 Today I ask you to be examples of peace, so that even the smallest of the great happenings of the Law of God do not weigh upon those who are not peace bringers.	6 I want sinning hearts in order to convert them into merciful souls. Be joyful, keep moving forward, seeing My sacred footprints of light on your paths.	7 The time and the hour have now come for you to recognize Me as your star in the darkness, as your meekness in the face of any rivalry.	8 Confide in God your beings and your tasks so that other Suns on Earth can awaken as stars of the great brotherhood.
9 Every day try to be clear and transparent like the waters of the ocean; in this way, you will be able to transmit the message of peace that many souls need.	10 A good disciple is aware of the rules, and these will always be the star for their path; if the Eternal Father had not created obedience, the coming of Christ would have been difficult.	11 I ask you to be brave; with courage face the adverse winds that will come into your lives.	12 In this time, may My disciples not fear to be offended, for on the path of humility, hard hearts will eventually open at the call of My redeeming Love.	13 Go in peace, and in reverence glorify the God of Love, because on this day of great joy, humanity is receiving the Grace of redemption.	14 Do not lose hope of freeing yourselves from yourselves; My Heart will accompany the steps of those who are willing to follow the simple instructions that I bring to you for these times.	15 With rosary in hand, live the merciful prayer; that it may be your light for the darkness, and your protection in the face of assaults, in the face of any situation.
16 Do not become tired of unnecessary situations. Place your attention on the inner Christ of each soul; in this way, you will be able to see the light that My Heart radiates through each servant.	17 Be firm and determined so as to be ready to fulfill My Will, for no matter how difficult it may seem; a true soul wastes no time in uniting with the Designs of the Creator.	18 In this time of purification and of renunciation, I call on you to renew your vows to Me. You will all always have a space of light in My Heart.	19 Let there always be a large space in your hearts so that My redeeming Light may enter, and in this way prepare a new dwelling place for God.	20 If but for an instant humanity should detain itself in order to serve the other, everything would change and much suffering still held in the consciousnesses would be liberated.	21 When aloneness appears greater than joy, it will be the sign that in reality, you are living My christic Path and you are taking form as the New Christs.	22 It is time to live by means of my Fountain, because it is only by means of My Blood and My Water that all will be able to achieve christic transformation.
23 Even under adverse circumstances, do not give up; elevate your hearts to That which is High, because the Lord will help you.	24 Humanity still has much to learn until it recognizes that without God nothing can be done. Only Love builds the new and coming times.	25 Trust in My Mercy; pray to Me more each day and from your hearts. Try to be in peace in order to overcome mental barriers. Be forerunners of My Love and distribute My Light.	26 Who joins with Me in prayer will elevate their consciousness and the divine Laws will completely heal them. You must trust that for everything you experience God has a reason.	27 My Heart is a sanctuary of peace and of love; in it you will be able to see the Light of God manifested, a Light that comes from the source of your real origin.	28 During the Hour of Mercy, give Me your sorrows, those which My Heart knows from the beginning, so that they may be liberated and redeemed.	29 Before the Angel of Justice comes to Earth, I wish to pour out over you and over the whole world the spring of My Divine Mercy.
30 Before each new test, declare and affirm: Jesus, I trust in You. This affirmation has the power to defeat any evil in the natural surroundings of your lives.	31 I wish to be in your life that which no one has managed to be; My inner Love does not belong to this world; I will never deceive you.
