# Sacred Week 2017

8 days of Instruction and Blessings

Since 2014, at the request of Christ Jesus, pilgrims and devotees of the whole world gather at the Marian Centers in prayer and contemplation of His Passion during Sacred Week, representing all of humanity. During this period, which the Master called Holy Week, Our Lord transmits messages through the visionary Friar Elías del Sagrado Corazón, precise instructions for the times that we are living.

This year, the meeting, open to the public, takes place at the Marian Center of Figueira, in Carmo da Cachoeira (MG), beginning on the 8th of April, on Saturday, with a special vigil of prayer and contemplation of the Christ, with moments of silence and sacred songs. This vigil will prepare for the arrival of Our Lord in the eight days of the Sacred Week, which will end on the 16th of April, on Easter Sunday.

The liturgy of the ceremonies will be conducted by monks of the Grace Mercy Order\*, and the program consists of

beautiful and profound spiritual exercises, besides devotional songs inspired by the Teaching of Christ.

*“As the peoples of the past, announce to the world that the Sacred Lord of Love is arriving in the awaited Holy Week.”*
