

Impulses of Saint Joseph

November 2017

Phrases extracted from the daily messages of the Chaste Heart

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 God calls you to remember.	2 May your own consciousnesses, touched by the Presence of the Divine Messengers, be able to find the lost path to your origin.	3 Those who can hear and who meditate the words of the Messengers of God will understand they conform a same thread of light that tries to lead humanity to a single awakening.	4 Seek to know, in your lives, at what point you are failing when it comes to the Kingdoms of Nature.
5 Your work group must be single, united with the Purpose of God.	6 I come to the world so that you may know sublime realities of existence that will lead you to a higher quest, to the surrender of life to a Greater Purpose: the Purpose of God.	7 All together, you will be able to lead humanity into a transformation.	8 To be a prayerful consciousness is like rowing against a great current of inertia, distractions, and a search for pleasure and gratification.	9 Be conscious in this world, which is blind.	10 You must begin by changing your own deepest interests.	11 During prayer, observe where your mind takes you and what is more important to it than the act of prayer.
12 Ask yourselves: "What is more important to me: distractions or praying to reverse the situations on the planet?"	13 When you are faced with a desire that does not take you on an evolutionary path, ask yourselves: "What is more important to me: that? or to fulfill the Will of God?"	14 Review in your own inner being, dear ones, your priorities, your desires, and your aspirations.	15 While you pray, ask yourselves: "Why am I praying?" And if the mind responds: "So that others can see me pray", then tell it: "Very well, now I am going to pray for the planet".	16 Transform with peace, with love, and with joy, but do not cease to take one small step each day.	17 Take the steps that God expects of everyone, for there is not much more time.	18 Pray from the heart for peace on the planet.
19 Radiate redemption, love, faith, and peace to your brothers and sisters that are in the world and do not know the Power of God.	20 Pray for those who are in the last moment of their lives and that are leaving this world in the ignorance, in the abandonment, and in the sorrow of their souls.	21 Pray today for those who are imprisoned in the illusions of the world, those who materially have everything, and nevertheless, are empty of God.	22 Pray so that humanity may understand that the greatest treasure is the one that is found when they give it all for love of a fellow being and for love of the Kingdoms of Nature.	23 Empty of yourselves, you will be filled by the Spirit of God.	24 Pray for the poor and the hungry, so that they may understand poverty as an opportunity for finding simplicity.	25 Pray for the imbalances of the world, because the rich and the satiated, in all things, must learn that everything was given to them by God so that they may share it with their fellow beings.
26 Pray for the young people of the world to awaken to higher life.	27 Pray for the Kingdoms of Nature, so that the spirits of each species, which are already so tired of supporting the world, may fulfill their mission until the end.	28 Pray, but also serve. Give of your word, but also your hands and the sweat of your brows.	29 Ask for the Kingdoms, but also take care of those you have by you, and those that come into your lives asking for help.	30 Be simple and joyful in all things.
