DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE Immaculate House for the Relief of Suffering, São Carlos, SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

When you truly pray, the Laws change, and the world, in spite of everything, gains the Grace of a greater time of peace.

But the revenge that My adversary projects into ungrateful hearts is the recurring thought for concretizing his opposing plans. This will be disarmed because the persistence of those who pray will become stronger than all cruelty.

The Kingdom of God will be visible in the hearts of the simple and, in this way, My Immaculate Heart will triumph.

Follow the path of peace that I bring you in this time, and be bearers of My maternal Love so that it may be radiated from your hearts to the world.

Dear children, I bring you the Grace of awakening in time and of experiencing, without fear, the cycle of your purification.

Know that, through your life and your purified consciousnesses, you will have the happiness of receiving new celestial impulses that will reconfigure your lives and all planetary life.

Woe to those that do not listen to God and who do not purify themselves! In truth, many will come to regret not having changed.

Thus, accept the cross and follow Christ. In His pious Heart, you will find liberation from matter.

Children, be happy while you purify yourselves; everything can be offered to God without fear.

In your hearts, there are divine merits for being with Me today.

Pour out love, pour out truth, pour out the inner purity of the divine essence.

I thank you for responding to My call!

Who helps you walk in absolute faith,

Your Mother Mary, Rose of Peace
