WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTRE OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

Today, as Mother of Mercy and before the infinite ocean of My Son's Mercy, I collect from the hearts the offers and prayers that are addressed to Christ, so that, in this time, He transforms human misery into Mercy and into Compassion.

For this reason, My children, once again, the life and spirit of each one of you is before the threshold of Divine Mercy, waiting for the Law of Atonement to act in humanity in the face of so many events that are taking place in the world.

May their souls be depositaries of the Love of My Son and of His Unfathomable Mercy.

May your acts, gestures and actions be merciful so that this civilization, of the present times, may recover its contact with the essence of Love-Wisdom, so that evil, hatred, revenge and impunity may be dissolved in the human heart, and so that each of My children may remember that they can return to God and know Him within themselves, in the depths of silence and supplicating prayer.

Dear children, Divine Mercy still must to be known in the world, it must be practiced and experienced by all; because as long as there are no merciful souls, there will be no peace in the world, the war will not stop.

Mercy is the door of salvation that My Son opened in His Side, where the tributaries of Water and Blood are mysteries of expiation and forgiveness for those who surrender to the Love of Jesus.

Children, may Mercy be the announcement of hope and peace for the wounded world.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
