DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF LIMA, PERU, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Child,

Be part of a Celestial Brotherhood formed by Beings in eternal and unconditional service to God.

This Brotherhood created in the Universe is still a veiled mystery; it is the Brotherhood of the eternal Servant Hearts, which accompanies Me day and night in order to establish the awakening of the consciousness and of the mission of each creature.

Submerge in the Spirit of that Brotherhood because, thus, you will, some day, know the purpose of your existence and, above all, the realization of the Redemptive Work on this surface.

The Brotherhood of the Universe is a principle of Love and of service to the greater Designs.

Today I present to you this ancient Brotherhood, that silently works for the spiritual protection of this planet, that responds to My commands when their Lord and Master indicates it.

Be part of this Brotherhood of humility and service, so that the same patterns of Unity that the Brotherhood lives in the Universe are built in your inner spirit; in this way, you will find the right door to go through and commune with the Sacred Spirit of the Brotherhood.

May the Brotherhood be the main message for those who awaken and for those who have already awakened; because, through the Spirit of the Brotherhood, souls will be in contact with the Universe and, thus, will be loyal collaborators in the Plan of Love and Redemption of these times.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master, Christ Jesus
