DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BRASILIA, FEDERAL DISTRICT, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I return to Brasilia, in the name of all the Heavenly Brotherhood, to again erect the spiritual bases of one of the points of work upon the surface, which will have a very important mission, that will have repercussions in all of Brazil.

Thus, I return so that consciousnesses may be in a different point of elevation and attunement and, achieving this state, the majority of My companions may be able to perceive that these are times for responding to endless needs, together with the Hierarchy, to be able to protect and shelter Their Work upon the surface.

Brasilia has the mission of being one of the operative branches of the Hierarchy that can give impulse to the concretization of projects within Brazil, not only within the scope of humanitarian missions but also within the realities of the neighboring nations, which will need the integral and fraternal impulse that Brasilia must express on all planes, as an operative point for the Hierarchy.

This arrival of your Master comes to guide you and encourage you to accomplish the next stages of the Plan.

I thank you for keeping My Words in your Heart!

Who blesses you,

Your Master and Lord, Christ Jesus
