**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,  
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

My dear children,

Commemorating with joy together with you the Apparitions in Medjugorje, today I invite you to be and to remain in God, the Creator, through the Sacred Heart of My Son.

Dear children, for this special reason of My presence in the world for so many years, today I also want to call you to reflect on a request that I make to all My children that, fervently in devotion, respond to My call.

Today I want to invite you to consciously collaborate with the Marian Work that My Immaculate Heart has been realizing here in the world and especially in Brazil, in Uruguay and in Argentina for some time. With this I want to ask you to place My words in your hearts, because today, My little children, I invite you to be part of the Divine Providence.

Know well, My little ones, that God, the Creator, fulfills His Plan for all the creatures and that one of His great and loving providences has been to send His Faithful Servant to dialogue with all of you, month by month.

Therefore, dear children, so that My Call and My Maternal Voice may be able to ignite more hearts that are in darkness, I need from each one of you a sincere and humble collaboration so that My Plans may continue in the different nations.

This time God the Father is giving permission so that each one of My children may awaken their consciousness towards fraternity and towards spontaneous giving, united to the infinite work of My Heart.

While you are in this world, you will need providence and help. Today My children, those who, in a selfless way, dedicate their lives to My requests also need the loving assistance of all of you. On Earth as it is in the Heavens, there are hard workers who, through their effort, make it possible for others to receive the Greater Grace.

As the Lady of Graces I give you My Peace and I thank you for the opening of your hearts, for responding in this way to this important maternal petition. Thus My message will be able to reach more souls.

I invite you to imitate Joseph, the carpenter, so that with good instruments we may together be able to construct the new Kingdom of Love on Earth.

Eternally, I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
