DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

I know that by the next year of 2014 many families and hearts will have been able to guard Me in the interior of their dwellings. Before My uninterrupted Presence during a year with you is fulfilled I wish that all consecrate themselves to the eternal light of My Sacred Heart.

For this I ask that from the first day of January of 2014 until the ninth day of January of 2014 all of the hearts glorify Me by means of the Powerful Novena of Jesus Christ.

I ask that you gather in group with the aim of materializing in the spiritual levels the consecration of the Americas to the Immaculate Heart. If this novena is done with care, love and dedication I promise that on the ninth day I will realize as a closing of this cycle a last public apparition to reveal to the world the secret of conversion, of liberation and of redemption.

Those that, during the nine days in a row after the prayer to My Divine Mercy, surrender themselves like a child in the arms of its mother, will be restoring My Most Sacred Heart. In this way, before the end of the times, all of the Americas will receive a special Intercessory Grace.

I ask you to pray the powerful novena as it is a precious and spiritual complement to the Chaplet of My Divine Mercy. I promised Saint Faustina that the souls that adored and venerated Me through the Face of My Mercy would know what to do and where to be in the final times.

I wish to say of this promise, that I Am already fulfilling it through My daily Instructions. I will need that soon you give to the world the book of the 365 daily messages of Jesus Christ. It will serve as a spiritual key and of inner support to face the great spiritual crisis.

After fulfilling a year of My Presence among you I promise to return to confirm My Presence in your hearts.

I will now give thanks for the warm answer that your hearts may give Me. In this way I will be able to conduct you towards the path of the Truth and of the Good. When I ask you for something so great it is because My Divine Mercy is opening a door of opportunities for all.

May the next year of 2014 be for all the time of the great harvest. It is time to be able to see manifested the fruits of the instruction received as a precious experience of life.

I leave My special paternal blessing for all. I send a ray of love from My Sacred Heart to your hearts.

Blissful be those who in truth live in God because from them is the Kingdom of the Heavens.

Under the Infinite Mercy of God, be blessed.

Thank you for sincerely answering during a whole year to My Call!

Christ Jesus, Your Faithful Beloved
