Weekly Message received in the city of Sao Paulo, Brazil, transmitted by Mary, Rose of Peace, to the visionary Friar Elias del Sagrado Corazón de Jesús

My children, I love you very much and only want good for everyone.

My children, I have you in My arms, I put you upon My chest for you to feel the beating of the Heart of your Heavenly Mother.

My beloved children, do not fear, do not become disturbed, do not be afraid. My Heart will triumph, and it will triumph within you, bringing you peace and the strength that you need so much.

My children, these are difficult times in which real and few soldiers of Christ give their life for their fellow being, for humanity and for the planet.

Dear children. God contemplates all you offer to Him. He gives you His Treasures and places them inside of the Heavenly Kingdom of His protection.

My children, these moments are very hard, but they are times to take great strides towards My Son, His Heart, His Truth.

Sustain yourselves in Me. I repair and take care of you from the fierce wolves of these times.

Continue praying with Me. Follow My steps of service and humility.

In the end, My Son will return. And He will return among you.

I thank you for your effort!

I bless you in the powerful Light of God.

Your Mother Mary, Rose of Peace
