MESSAGE FOR THE VIGIL OF PRAYER FOR PEACE IN THE NATIONS, RECEIVED IN THE CITY OF PHOENIX, ARIZONA, UNITED STATES, TRANSMITTED BY MARY, ROSE OF PEACE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, the Sanctuaries and the Marian Centers of the world are adorned and beautiful due to the flowers of the prayer of My children, by the fidelity of those who always fulfill My call each time I make requests because, as much as they do not understand the mystery of My invitation, souls adhere in obedience, and for love and faith they carry it out.

Today, your Heavenly Mother, the Immaculate Conception of Lourdes, makes use of all prayers that are sincerely offered by Her children. From now on, I am gathering the appeals of the hearts, for all souls that are severely condemned to perdition and that, at some moment of their lives, will receive the call of God, so that they can awaken.

From the Grotto of Massabielle, in the historic city of Lourdes, your Heavenly Mother emits a request of celestial and spiritual help to all angels so that they may intervene in the topics of humanity that need much light, Mercy and redemption.

By means of visits to churches, sanctuaries and the Marian Centers, your Immaculate Mother is managing to grant special and deeply spiritual Graces to all who ask for them, just as the Grace of the conversion of a meek, humble, poor and serviceful heart is granted.

These values are those which truly keep the lost humanity within the chance of total redemption. Therefore, children, all offerings, rosaries, songs and praises, in truth, are not addressed directly to the Divine Mother, but all these offerings of the heart reach God by means of the Little Virgin of Lourdes.

In this way, the Celestial Father manages to feel the soul and heart of His children, and then He opens the door of His Divine Mercy so that the souls may be saved.

I teach you, My dear children, to intercede for the impossible causes and situations so that, in the coming times, your spiritual communion and your dialogue with God may be increasingly more true and deep, because the time of great definitions will come and the souls must be secure in the decisions that they will make.

Dear children, I say goodbye, I feel the joy of your offerings in My Immaculate Heart and, during these next days, may you keep donating yourselves in prayer for the triumph of the Novena to the Lady of Lourdes to be very great and reach all those who need it.

I thank you from My Heart for responding and for living My call!

Who blesses you and washes you with the Spiritual Water of Massabielle,

Your Mother Mary, Rose of Peace
