**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

I want you to remember to pray the Rosary every day for peace in the world and for the conversion of the souls that are distant from the Most Holy Heart of My Son.

For this reason, My little ones, this is the invitation and primordial call that My Immaculate Heart makes today to each one of you, as well as to each group of prayer.

Throughout these past months, in which My Maternal Heart has been among you, many requests of prayer have emerged. Today I also ask you to consider each one of them as valid since there is still a need in the entire world, a need for a true prayer that may be born from your hearts.

Praying the Rosary for peace you will allow the Celestial Light to approach and fill the spaces in the world that need forgiveness and a quick conversion.

Dear children, My Maternal Voice will not tire of telling you how important it is to be conscious in the life of prayer and in each one of the situations that arise in the world.

Each day that the sun awakens in your lives, many situations arise as a reality that expands itself towards all humanity. Because of this, My children, may prayer live in your hands, may prayer be the harbinger for many, relief for others and hope for those who have lost it. Your prayer of the heart will collaborate in preparing the conversion of many souls and will give sustenance for the most important moments of humanity.

An invitation for your souls is to be in Jesus, to live in My Son because in Him and with Him your hearts will be illuminated in the Eternal Peace and they will awaken to forgiveness.

Let us pray because the only thing left to do is to pray.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
