DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN BAHIA LOPEZ, BARILOCHE, RIO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN DE JESÚS

Songs of Figueira - "With your permission"

This last song by José Trigueirinho expresses the prophecy about his next departure, announced here throughout the years.

At the same time, the song expresses the gratitude and deep reverence, of this instrument of God, for the Law of the Hierarchy, indicating to his disciples, in a simple way, what the feeling and correct attitude should be before the immensity of what the Work of God represents for the being of the surface.

This song reveals, in a selfless and impersonal way, the farewell of the Instructor to his beloved disciples; the farewell to all those who, throughout time, were activated by the divine energy of the sacred knowledge and the Instruction, making it possible for each soul to find its gift and its lineage within the broad field of universal life.

Gratitude is the essence of the song, but it is also the expression of the soul of Trigueirinho for the infinite Mercy and Compassion of the Celestial Father towards His smallest and most imperfect creatures.

Here, the Instructor and the instrument of God professes and symbolically announces his departure towards the vast Cosmos, the return of his spirit to the Source and Origin from where he departed to serve the Divine Purpose, and from there, to enter into new Schools of Instruction.

In this song, the most important message for the disciples remains deeply engraved, which is the love that each soul may have for the Hierarchy itself, to thus maintain, on this planet, a divine connection with the sacred Non-material Laws

Trigueirinho, in a simple, loving, and reverent way, says goodbye to the realm of material life, announcing that it is the spirit that serves through the impulses of the soul and this is what grants the upliftment of consciousness.

The final signature of the Instructor is the love that he leaves engraved in the inner firmament of each disciple, to remind each being that everything is due to love, to Creation, to the existence of life beyond forms.

He reminds us that love is in everything and that each soul must return to the Source of this love with all the experience lived on this planet Earth.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
