DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I come to purify your temple so that My Consciousness may dwell in you.

I wish everything within you to be removed, and in the same way, contemplated by the immensity of My Light.

I do not expect an immediate perfection or an early transformation.

I know your virtues, but I also know your errors.

I come to awaken the gift of My Humility in you, which will make you free of yourself and of the world. Thus, you will be able to participate of My immutable and eternal Presence, to be a part of My Spirit in communion with Me.

I know that everything has a time for happening and to be concretized.

Quieten in My Presence and do not let your heart be disturbed by the possible crises of life.

Accept the reality that you experience, carry the cross that My Father has entrusted to you, and vivify My Consciousness, again and again, through My Body and My Blood.

Do not stop smiling at life; the world needs the true happiness of the apostles of Christ so that, in this way, it may be filled with a relief it has not known until now.

Continue aspiring for transformation. The tests are the great bridges and abysses that, for the rest of your life, you will have to cross.

Dare to say "yes" to me and everything will be resolved.

You know that for your Lord nothing is impossible.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
