DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

A true apostle and missionary of love is the one who persists every day through Me, and demonstrates that love does not allow them to come to a standstill nor stop, that love impels them every day into the realization of their inner and group purpose.

A true apostle is not surprised by the events in life and seeks to carry the Light of My Heart to where it is urgent and necessary. This apostle is capable of entirely giving themselves, without schedules, without conditions, without preferences.

This is the apostle that I need for this time, and I come to seek them in this sacred place that opened its door of the Heart to Me so as to receive Me, just as I was received in other times.

The apostle that I need dies to themselves every day, and brings everyone the chance to love, to serve and to be renewed.

My apostle does not fear the deserts, the storms nor the cold, for if they are truly with Me, they will lack nothing, because I lovingly take care of My friends and I have them experience things similar to those I once experienced.

My apostle drinks without delay from the Fount of My Mercy.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
