DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF MALDONADO, DEPARTAMENT OF MALDONADO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Just as more than two thousand years ago, today I again visit My dear spiritual daughters who opened their hearts trustingly for this Work of God, and were able to recognize Me again, as they had recognized Me on the path of Calvary.

It is through the tests and the experiences of their lives that I am present, for in this crucial time for humanity, I need them to be able to be strengthened and expand their consciousnesses, beyond the three dimensions and the superficial.

Thus, I am visiting one of the houses of My spiritual daughters because, also more than two thousand years ago, while I was preaching in Galilee, she received Me, gave Me her room and everything she had, and what she did not have. In this way, she committed to Me.

I gave her one of the best experiences of love which was and is the Adoration of My flagellated Eucharistic Body, and the Father gave Me a part of His Love through His little children.

All of this is part of the work of Mercy, and of the time in which each of My companions, male and female, must recognize Me, without doubting that I am now returning.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
