APPARITION OF THE GLORIFIED CHRIST JESUS IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE SACRED CALL

In the name of the Father, the Son and the Holy Spirit. Amen.

I am here. I am the Sun of God and I come to the world to illuminate this dark night, to remove from darkness all those who suffer the injustice of these times.

I am here. I am the Sun of God. And I come to the world to awaken healing, peace and renewal within hearts.

I am here. I am the Sun of God. I come to give to each human heart the love of my eternal heart so that souls may not lose the hope nor the joy of being present at my Return to humanity.

I am here. This is why I am the Sun of God and I bring to the world the message of the Advent of Christ, the preparation of the inner worlds for the expected Return of the Redeemer.

I know that, for many of My companions, at this planetary moment, it is difficult to live this transition, which is unknown to all humanity, but I ask you not to become desperate. I come to ask you not to give up, but rather to open your arms to receive My celestial embrace.

Many nights, when darkness reigns, when the pain is unbearable for all those who suffer in these times, not only their purification, but also this situation of humanity and the planet, I come as the Guard of the Celestial Tower, to bring to My companions the watchful consolation of My Heart, My unchangeable Presence, which is unmovable, which is non-transferable and eternal for all those who have faith in Me.

This is why I come as the Sun of God, as the Sun of the Divinity, first to announce within the inner worlds the near coming of the King of the Heavens. I also come to prepare you to keep being My apostles of the end of times so that you may learn to love My Will, and you may carry forward My Will, just as it is written within the Heart of God for each one of you.

During many nights of these times, I have heard the prayers and supplications of My children, of My servants and My prayerful beings, especially of those who have had to experience the departure of some loved being for different reasons, for various motives, and I say to you, that I have contemplated all this with My Heart, from the needs of the little ones to the situations of the more adult ones.

My Heart is here as the Sun of God, as the Eucharistic Sun of God, to again give you this eternal Communion, which is immaterial and divine, which, in essence, the impulse of My merciful Heart so that you may have inner strength, bravery and much courage; so that you may not be taken by the injustice of these times, by the incoherence of the nations, by the lack of discernment of the rulers of the world.

I ask you, be My Gospel in life. Do not just read My Gospel, be My living Gospel and, thus, you will be a part of My living Word, of My living example of Redemption, which I impel for all hearts

and souls.

Remember that Heaven and Earth shall pass, but My Word will always remain, eternally resounding, as an impulse of light, in the hearts that trust Me. And even if to your right or to your left all may fall, stand firm, and you will not perish. Stand firm, with the firmness of the Love that I give you to face your own purification and the purification of the planet because the Sun of God is here today in Fatima, as this great sun once danced, danced in the skies of this place.

But the Sun that I bring to you today is the Sun of the Divine Source, the Sun that will always illuminate the times, situations and generations. Be brave and do not give up. When your heart aches, when your soul aches, when you no longer have strength to continue on, do not forget to say to Me: "Jesus, I trust in You".

This is the great key, the master key that will sustain all those who believe in Me, and, even more, all those who experience the Sacraments.

These times of planetary transition have led you to strengthen your immaterial faith, in these times you have often not been able to receive the Sacrament of the Eucharist physically, but this is the time for you to deepen in this union with Me, through the Spiritual Communion, because I am also present in it, when a heart simply opens up to the certainty that I am in it, and that it is in Me.

The world and humanity have not yet understood what the Father needs. Know that God, the Father who is in Heaven, suffers for all that you experience and do, for all who have moved away from Love, from the Path and the Truth. But I come to make you return to this Path. I come as the Sun of God, to give you the Love of God, and I also come here to make you live the Truth.

Being here today with you feels like more than two thousand years ago, entering the cenacle of the heart of My companions so that you may feel My Presence, feel My strength, so that you may enter My Peace because what is still to come to this humanity will be very painful, but if hearts do not forget the vow of prayer, of sacrifice and renunciation, many situations will be avoided, especially by those who adore My Eucharistic Heart.

My faith lies within them, and they will be the flames of Light for this dark world. It will be the deep inner light of the adoring hearts that I will place available, in an unconditional way, for the inner worlds that most need it, for the regions of the world that have lost peace. And these hearts, converted into flames of Light of the Adoration of My Eucharistic Light, will transmute, with Me, the incoherence of this humanity, the injustice, the offenses, the sufferings and the sorrows of many hearts, especially of the families that emigrate to other nations, seeking a new opportunity that they have not yet found.

Because the indifference of this world is so great, that you have not realized that it has been Me Who has knocked on the door of many nations, seeking refuge, relief, shelter and food to survive.

Who will be willing, in this end time, to go with Me to the hells, and to not fear evil, without challenging it, but rather confronting it, with the supreme strategy of prayer, Adoration and Eucharistic Communion with Me?

I will never give you swords for you to fight against sword, because the one who fights with a sword will be wounded by a sword.

You have to learn to live as I lived for you here on Earth. Would you be able to do what I did for you and a little more? Would you be able to act just like your Master, who, in the Last Supper, knowing all that He would live and suffer for you, did not fail to give His Love and His divine Compassion to His apostles?

I only need you to have the courage to place your heads upon My Chest when you can no longer move forward: it is so simple, that many do not dare to do it.

I come here to teach you how to surpass your own limits. I come here to teach you to transform your resistances to the point that I need, in which you can come to thoroughly live My Will.

I want to tell you that I am with the whole world at this moment, and that I carry, within My Heart, all needs, however small they seem to be, because all is important to me, even that which is most imperceptible and silent, even that which only I can see; all is considered by your Master and Lord.

But I come to teach you that, through love, everything has its time, and all that which you may be experiencing as injustice or suffering has a spiritual reason that, in this cycle, you must learn to access, to know and deepen into, so that you do not see yourselves only as victims of something, but rather as active participants in the transformation of evil into Love, in the triumph of Love in all things.

The Sun of God comes to celebrate here, with you, the first Eucharistic celebration, so that souls may live the Spiritual Communion, especially all souls that are here in Europe, Africa and the Middle East. This consecration will reach these spheres, as an act of compassion and spiritual benefit for those who most need of it.

Before this moment, I want to send a special message to a daughter of Mine in the United States, who I know has emigrated from Lebanon to this country, with her family, especially with her sick little son, who, just like many children at this moment, on each day that passes, offer themselves as victims of My Love, for the redemption and transmutation of humanity.

Little brave souls, who make great sacrifices, in the same way that the shepherds in Fatima did, so that one last opportunity may exist for all those who are already condemned to the day of Final Judgment, this is why these souls are victims of My Love.

What I want to tell this mother from Lebanon, who has recently lost her son, is that she may no longer suffer, because her son is with Me in Paradise. The little ones are those who reach My Heart the most, due to their innocence and their purity.

This is why I tell this mother from Lebanon to rejoice and offer this moment to God as an act of reparation and mercy for all that her little son has suffered at this hospital in the United States, that I have visited many times.

Jean is here with Me, be at peace.

Let us celebrate.

Friar Elías del Sagrado Corazón de Jesús:

We offer, Lord, this incense, so that You may elevate all souls to the heart of Your Celestial Church. Amen.

We offer this water, Lord, so that You may purify our hearts and souls, so that we may be accepted and received as a model of redemption and reconciliation in the Hands of God, for the triumph of the Love of Christ. Amen.

Responding to the request of the Sacred Heart of Jesus, we unite, at this moment, to His Divine Will. We ask Him to grant the inner Grace of living it every day, so that His Plan of Love may be manifested on the surface of this planet.

Before the Presence of Jesus, we unite to Him in spirit and consciousness, and we celebrate this moment under the joy of the renewal and peace that He brings us in these times.

For this, for a moment, in the silence of our hearts, we recognize our faults and ask Him for forgiveness so that His reconciling Spirit may enter within us and so that, with our hearts clean, we may live the joy of this Spiritual Communion.

*O! Blood of Christ,
poured over the world,
purify our souls,
relieve our hearts.
Have pity on us, Lord.
Amen.*

(twice)

On that night, before Christ was handed over, He gathered at the Cenacle to institute the Eucharist, the greatest Legacy of His Love for all humanity and the planet.

Thus, at that hour, Our Lord took the bread, raised it to God and offered it to the Father so that the bread would be converted into His Body. Then, Jesus broke it and, offering it to His apostles, said to them, "Take it and eat it, because this is My Body, which will be handed over by humanity for the forgiveness of sins."

*We praise, You, Lord, and we bless You.
We praise, You, Lord, and we bless You.
We praise, You, Lord, and we bless You.
Amen.*

Then, before the Supper ended, Jesus took the Chalice in His Hands and, offering it to God so that it would be converted into His Blood, He offered it to His companions, saying to them, "Take it and drink it, for this is the Chalice of My Blood, Blood of the new and eternal Covenant, which will be shed by Your Redeemer for the remission of all faults. Do it in remembrance of Me, until I return to the world.

*We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.*

Amen.

Behold the Body and the Blood of Christ. May the hearts that avail themselves of this Divine Sacrament rejoice so that Peace may be established.

United to the Father, the Son and the Holy Spirit, we say the prayer that Jesus taught us, to consummate this consecration and this offering at the Altar.

Prayer: "Our Father."

We announce Peace within all hearts of this planet. May the Peace and the Love of Christ descend to Earth.

*Lord, I am not worthy that you should enter under my roof,
but only say the Word, and I shall be healed.*

Amen.

To all our brothers and sisters throughout the whole world, we announce the Spiritual Communion with Our Lord.

*The powerful form of Light enters the inner worlds of souls, so that souls may merge into Christ.
Amen.*

*Most Holy Trinity, Father, Son, and Holy Spirit,
I adore Thee profoundly. I offer Thee
the Most Precious Body, Blood, Soul, and Divinity of Jesus Christ
present in all the Tabernacles of the Earth,
in reparation for the outrages,
sacrileges and indifferences by which He is offended.
And by the infinite merits of the Sacred Heart of Jesus
and the Immaculate Heart of Mary,
I beg the conversion of poor sinners.*

Amen.

Today, the Sun of God, in Fatima, can retreat in Peace, with the perfect conviction of having delivered the impulse to as many souls as possible.

I bless you in the name of the Father, the Son and the Holy Spirit. Amen.

Go in My Peace.
