SPECIAL APPARITION OF THE GLORIFIED CHRIST JESUS AT ASSOCIATION MARY, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

Behold the Lord of the Desert, Who went through this experience for forty days, in the same way that you went through this experience of finding the meaning of your inner desert, without fearing spiritual aridity or emptiness.

This is why I am here, and I am the Lord of the Desert, Who, at the doors of the next Sacred Week, when the Son of God will be glorified at the entrance of Jerusalem, comes to conclude with you this first stage so that you may understand, in these times, that each process of your lives and consciousnesses has a meaning to God within this school of redemption and forgiveness.

Therefore, I invite you to keep walking along this desert because at the end of this path you will find the doorway to renewal, an experience that may enrich your consciousnesses and make them mature, and grow internally, knowing that life does not end here and that evolutionary life continues forward through your steps. I need you to take these steady steps in these times so that, before the Celestial Father, we may guarantee, together, that this Project of Mine is possible, with you and your brothers and sisters.

A Project still not understood or known, a Project that is only unveiled through those who love it, through those who make it a part of themselves so that it may be fulfilled at this crucial time of humanity.

So I come today to deliver to you the synthesis of the experience that I lived during forty days in the desert, where, just like you, in these times, I was tempted, I was persecuted, and I was sought for by the enemy.

But remember that with the keys of serenity, meekness and a peacemaking spirit, you will be able to make this synthesis that you need in order to follow, in fidelity, the Commandments of God, which He holds like promises in the Kingdom of the Heavens for each one of His children, of His creatures.

In this third impulse that prepares the next Sacred Week, I wanted to demonstrate to you, through these special meetings held at the house blessed by My Mother, at the house of Association Mary, that the Spiritual Hierarchy needs you to understand the events of these times and the duties and responsibilities of these events that each one of Mine has before God, because without My disciples of the end of times, I will not be able to do anything, and you know that the participation of My followers and companions is fundamental.

It is not that I cannot work miracles in your lives and consciousnesses, but rather that through the effort of the consequent and humble, of the responsible and conscious servers, I will justify, before the Higher Laws, all the errors of humanity, and when I physically return to this world, I will

complete this Plan that is already taking place at this very moment, through your consciousnesses.

So I invite you to feel that you are a part of My Redeeming Project, so that you can be caretakers and guardians of Christ's aspirations in these times and, especially, of those aspirations that your Master and Lord has for the peoples and nations where My Heart and My Love must reach, through the hands that give, through the feet that walk on My path, through all those who, decided, say 'yes'.

Once more, a cycle is being fulfilled this week, previous to the Sacred Week, right before the Presence of the Son of the Sun.

I needed you to live this experience consciously, an experience that will be completed and finalized in the coming months and cycles, when you will understand and realize, on your own, all that has happened here in these last three special meetings with Me. An experience that is not only for you, but also for your brothers and sisters, for all those who cannot be physically present in the next Sacred Week, but who will have the Grace, in spite of the distance, to receive Me in their hearts and homes, in their families and spaces of prayer.

May this moment be raised to the Heavens, in the Presence of the Father's Son. That this third preparatory impulse that I give you today may symbolize, for everyone, the opportunity to consecrate one's life even more, and, above all, one's consciousness, for that which God expects to cause to descend as Grace and as Will upon His children, the Christs of the New Times.

In these symbolic Words that I give you today, I leave many keys to you. When you can re-read My Words, of these three preparatory meetings, at that moment you will complete the meaning of this experience and will realize that, because you have had the opportunity to go through the inner desert, together with Me, in such a quick and intensive way throughout this week, your hearts will be ready for what I will ask of you in the coming times.

And, although you will have the sensation that it is an impossible or unattainable challenge, I have absolute confidence that you will be able to do so, because if up to now and in just one week you have crossed a deep and inner spiritual desert, what would you not be able to do for Me?

Dare and be brave, Peace is with you so that you can fulfill My Will, and so that this Will may be fulfilled in your brothers and sisters of the path. Because if this moment and these meetings had not taken place, what would be of those places where there are still conflicts and wars, famine, slavery and trafficking?

Also for them I am here, and I have availed Myself of the house of Association Mary to intercede for all of them in the name of the Father, the Son and the Holy Spirit.

Prepared in the mystery of this desert, which you will gradually discover within yourselves, step by step, now you will enter the planetary Passion with Me, and you will understand what the planet feels, by carrying within yourselves the cross of the world, so that souls may be redeemed and consecrated.

May the merits of the Passion of Christ renew your inner forces and strengthen your decision to be with Me forever.

I bless you and encourage you to follow the path of the planetary apostolate so that all religions, beliefs and philosophies may unite on behalf of the Return of Christ.

In the name of the Father, the Son and the Holy Spirit. Amen.
