DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My beloveds,

On this day of the novena, the angelic task continues to deepen at a planetary level.

The souls withdrawn from the streams of chaos and from adversity are already at intermediary levels, being assisted by the angels of healing. Souls are restored by the bandages of Light that enveloped the Holy Body of Christ.

Through this spiritual process, souls also receive the Christic Codes, so that the lives of people may be rebuilt, as well as the life of the families can be rebuilt.

Through the novena to the Saint Raphael the Archangel, the angelic armies are already working in other spaces of the planetary consciousness, where there are true hells on the surface of the Earth.

Children, think for a moment about what that means and how inequality and injustice, generated by humanity itself, caused millions of souls to be in a fragile condition in the world.

The powerful novena to the Saint Raphael the Archangel is making you participants in and aware of all that the angelic Hierarchy is doing for this planet and for its humanity.

Through the union of hearts and prayerful voices, dear children, continue to accompany Saint Raphael the Archangel in this mission of the end of times.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
