**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My words of Peace want to be like the Heavens in the hearts of all souls. I want you to be able to recognize the Celestial Peace so that through pure prayer, done with the heart, you may live peace on Earth.

All My children already know that we are in a cycle of changes for the world. Therefore, month by month and day by day I prepare you.

But I do not see your hearts paying attention to My daily words, words dictated by the Love of My Immaculate Heart and which come from the Heavens, a place where day by day I invite you to enter with trust and truth.

Dear children, God the Father has granted Me this Grace of being among your hearts, and My Heart has worked so that your lives would have the necessary keys for the conversion of the heart.

The world is blind, but not all My children are blind or deaf. I hear you from the Heavens when your hearts place the voice of prayer on the highest celestial state. Because of this, dear children, My Heart rejoices when I see perseverance and hope, essences of peace necessary in these times, permeated by joy.

Dear children, embrace My Heart with love, and place in It, day by day, the miseries that make the lives of many hearts suffer.

Through fasting many world circumstances will be resolved, above all the loss of souls. When your hearts enter the path of surrender and giving, wounds in the heart must be healed, and through the exercise of prayer they heal quickly.

Dear children, remain with the flame of the heart ignited and walk, walk until you arrive before the Heart of Christ, to adore It and love It. He awaits you in silence.

Thank you for responding to My call. Light for the hearts in the world.

Mary, Mother of the Divine Conception of the Trinity
