DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My silence, today, speaks of the lack of awareness and love from the representatives of the nations, especially from the nations of South America.

Because where God is not, there is no Justice, let alone Mercy.

This lack of Justice leads to inequality and to the rampant abuse of the powers that humanity believes to have by rights. All of this generates discord and a lack of credibility.

The worldwide system itself, created throughout the course of time, is about to fall and with it, all that is intertwined and not faithful.

In this sense, the nations which should be enclosures of prosperous and equitable life, for the inequalities of all times and for the lack of transparency towards the people of God, generate social, economic, and political disorder.

The roots of the systems created according to the understanding of humankind will be the first to be self-destroyed in an unimaginable way when the planet itself demonstrates its intense power of purification.

All those who have a sincerely repented heart will be saved, and all those who pray for their enemies will grant Mercy to those who were eternally condemned.

For this reason, the Prayer for Peace in the Nations will continue to be that which will generate this most potent balm that will placate injustices and bring forgiveness to the condemned of spirit.

Continue to pray because the Hierarchy acts silently before this scene of chaos of the end of times.

Thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
