DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Songs of Figueira - "Erstwhile Brothers"

This song implores for the approximation of universal life to humanity through the sacred knowledge revealed by Erstwhile Brothers.

In this invocation, the human consciousness that appeals for help is spiritually uplifted, on the inner planes, towards the Celestial Dwellings, where its deepest nuclei are worked upon in order to live a state of transformation.

On this path, awakening humanity can count on the unconditional support of the Erstwhile Brothers to live their process of forgiveness and redemption.

One of the keys offered by this song is the beloved attribute of silence which opens the doors to reveal in the inner world all the universal mysteries, sublime realities that can permeate the consciousness with many more inner attributes.

This silence, in which the consciousness can submerge, allows one to find the deep state of the temple of the heart, from which emerges the eternal gratitude that allows the conception of Mercy, love, and forgiveness.

It is in the temple of the heart where this sacred flame manifests itself, which the venerable Erstwhile Brothers contemplate, as Gardeners of the cosmic spaces, so that the New Human may awaken.

This song also prepares us for the inner encounter with higher realities, where we find the reason for our existence. This will cause the new being, that is being called to emerge and be born, to take on its commitment before the Divine Plan of Love.

The Erstwhile Brothers are at the service of humanity and the planet to give us the key word that we were before starting off on a journey towards universal life.

After this trajectory, the Universe allows us to return to the essence of what we were, and that is conceded by the sacred Source of Instruction, which removes us from ignorance and opens, for us, the doors of the upliftment of the consciousness.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
