### **Daily message of Mary, Rose of Peace, transmitted in the region of Valparaíso, Chile, to the visionary Friar Elías del Sagrado Corazón**

Let there be no lack of absolute trust that, in the name of the Lord, all will be well; because in these times, souls need to learn to survive and remain in God so that the perfect and invincible union with the Kingdom of Heavens may be established.

This trust that we can have in God every day is that which attracts the effect of miracles and of marvelous things that can happen during the path of spiritual life.

Therefore, My children, rejoice, smile, and give thanks to God, because His Plan, which would seem impossible to be carried forward, is being fulfilled under the spirit of charity, fraternity, and effort, so that more Graces and more miracles may be materialized on this planet and in this needy humanity.

I encourage you to say yes to each new service so that the doors of the Mercy of God remain open.

Good start of work for all My missionaries!

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
