MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SÃO LEOPOLDO, RIO GRANDE DO SUL, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS?

Dear children of Porto Alegre and of the whole world,

In My presence, and recognizing My Call, I ask that you pray for those who are not here today and who wander in this city as well as across the whole world, like souls without direction and without a clear goal for their own spirit.

Each creature that comes from God, My beloveds, has a spiritual mission to fulfill, because it is in this way, with each one fulfilling their part, that the Plan of God will be manifested, not only in this world, but also in the whole universe.

We are now in a definitive time for the planet, because after centuries and centuries of learning in the school of the Earth, the time has come for you take the exam, and for you to put yourselves at the disposal of the ones who need the virtues and the gifts of your hearts the most.

My beloveds, it may seem that I ask you difficult and impossible things, because-in a world where competition, pride and vanity have been fed for centuries -I call you to be fraternal, humble and simple so that you may accomplish together, through mutual assistance, the Plans of God for this race.

My Immaculate Heart is forming an army of light in the world, not for you to stand out among the others in the evolutionary path. My soldiers will build the path by means of which the rescuing boat will reach this world. With your efforts and transformations you will open the doors of this boat for humanity. With your examples and your services you will attract the beings so that they will enter the boat and you will wait at the door until the last soul be able to receive salvation.

For this I call you to put in the most effort, but to be the last ones to receive the merits for your own effort.

I invite you to follow the Christic path in which you will offer all of yourselves for love for your neighbor, even if nobody recognizes your effort and the planetary service that you are providing in the name of God.

Dears, in a world that agonizes, your Heavenly Mother calls you so that you will be the light in the path of the blind by means of your prayers and actions.

It is already time that not only you will listen to My Call, but also that you act with valor and devotion.

Prepare yourselves to be the guides of many souls in the end of times. For this purpose you need to not be that which you are today, because in order to guide other souls you must be empty of yourselves and surrendered to God, so that He will be the One who will inhabit your dwellings.

I bless you and place you under My celestial mantle.

You Mother Mary, Rose of Peace
