DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

The time will come when your faith and trust in My Son will be tested.

The time will come when your lives and consciousnesses must truly confirm how far you will give your life for Christ.

The time will come when it must be known if you will truly hold to faithfulness to the Lord, beyond yourselves and all circumstances.

That time is already coming, and you must unmask those characters of the ego that put your destiny and evolution into play.

For that reason, prepare, pray, and never again try to place responsibility on something external.

Take on your purification with transparency and no longer wish to hide the power you want to exercise on others; because once again I will tell you that stone will not remain upon stone, and it will first begin in humanity.

No longer will anything be gained by your justifying yourselves, that you run to another place or even that you blame your fellow beings with your thoughts or your words.

Assume that you need to change something, if you truly say you are with Christ.

Be humble, considerate, and above all, have great gratitude for each correction and lesson learned. If not, if you try to change your destiny, in a short while you will see the result of your choices.

It is no longer the time to tempt God, because manipulation will be the first stone that God Himself will break.

Be grateful and lovingly receive what your eyes cannot see.

No longer convince yourselves of what you believe you are.

To surrender your life to Christ signifies yielding.

I thank you for obeying Me, because I do not want you to suffer anymore because of yourselves.

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
