DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Never forget that within you there exists an inner universe and that this universe is real and alive because it is there where God is to be found.

In that inner universe, you will have the inner door to be in communion with the Father and with Creation. There, there lies no illusion.

The inner universe is the foundation of your faith and of your trust in the Divine Source.

Let that inner universe, which is the aspect of your true being, be what governs your lives; thus, spiritual and evolutionary values will fill your consciousnesses, because where God is, there is spiritual and inner life.

Remember that in your inner universe there is also peace, meekness and tranquility.

In the inner universe, there is no agitation, no conflict, no disharmony.

In feeling and living in the inner universe, may your souls find the bridge through which they may be able to govern and carry out the mission that the Divine Will entrusted to them.

In that universe, there is the Truth that dissolves appearances.

In that universe, there is the knowledge that ennobles the spirit.

In that universe, there is purity that will consecrate you as children of God.

That inner universe is there to be recognized and to enter into contact with the Creator.

Thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
