Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

On this day it is a joy to see souls in consecration that aspire to live the Plan of God; souls that, in spite of all the circumstances, persist over time, given impulse by faith and love for Christ, My beloved Son.

Within consecrated souls lies the refuge of My Son, where He can find consolation and joy when each being offers, even the smallest part of themselves, so that He may reign through them.

Today, I wash your hands, dear children, so that they may be blessed.

Today, I wash your faces, so that your eyes may open to the Divine every day.

I wash your feet so that they may be purified and you may open to take new steps along your paths.

I wash your wounds so that they may close and no soul loses the joy of again finding God.

Today, may each part of your being be washed by the water that comes from the Source, which nurtures the life of the spirit and of the consciousness.

May the consecrated souls receive the impulse of the Gifts of the Holy Spirit so that all may be renewed, and at the next dawn, they may be awakened by hope and deep faith.

May the souls that are being consecrated renew their vows to the Plan of God, because if your faith has brought them to this part of the path, it is because you are walking with Me toward a definite re-encounter with love and peace.

I thank you for responding to My Divine call!

Who vivifies you in Christ,

Your Mother Mary, Rose of Peace
