**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Let us continue together through the path of peace and unity because in this way, My little ones, you will be in My Kingdom, the Kingdom of My Son Jesus, Paradise, a place where your hearts must aspire to be with God.

Dear children, open the portal of the heart so that My Immaculate Light may be able to fill and impregnate you with the Presence of the Holy Spirit. Open your arms so that the heart of peace that exists in each one of you may be able to emerge from the depths of the soul and there God may always reign.

My children, spread the Peace I am giving you, the Peace that is necessary in the hearts of all My children of this world.

For peace to prevail, you must be like the water that springs from the fountain of My Maternal Heart.

You must be a source of prayer to thus renew life under the Divine Spirit of the Lord. You must be an expression of faith for this world. You must be the Fire of the Holy Spirit that in prayer may be able to awaken and heal the aching heart of humanity.

You, My children, are part of this Creation, and God created you to serve others in charity and love, creating a New Fraternity in all humanity.

Feel that everything I tell you and that what My Heart emanates daily to you is true. With prayer and love in your hearts you will allow your souls to be converted into simple instruments at the service of the Divine Father Creator.

Open your hearts again and only find rest in the Hands of God.

I leave you a mission: to pray so that the Fountain of Peace that is found in Heaven may descend over the Earth.

In this way, My children, your lives will correspond to the Plans of God.

Walk in faith. Everything is under the gaze of My Maternal Kingdom.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
