Daily message of Mary, Rose of Peace, transmitted in the city of Nazaré, Leiria, Portugal, to the visionary Friar Elías del Sagrado Corazón

God will destroy the castles of sand that have been built by humans to lead humanity towards perdition. Thus, God will build, from the inner worlds, the temples of love that the souls have made fruitful through their faith in the Lord. At that moment, Judgment will begin for all humanity.

The simple of heart will receive within their hands the Legacy of the past and those who called themselves powerful will lose all their wealth because the poor of heart will come to know all the mysteries that are written in the great vault of this universe.

It will no longer be necessary to interpret the stars because the new race will know where they come from and what their true origin is. Nobody will be left without knowing what mission they have come to perform out of love for the Universal Project.

At this time, the powerful will no longer have power and the pure of heart will be crowned by the Hands of Christ.

The twelve angelical hosts will descend and a star similar to the ones of the universe will announce the signs of a new stage.

Finally, humanity will awaken and will no longer be within evil because it will have abandoned illusion and entered into the mysteries of the universe.

Later, the obstacles will not exist, neither will what we know as ego. The souls and the consciousnesses of this world will finally become free and happy during the thousand years of peace. Thus, the Eternal Father, in His splendor, will descend and make of this Earth His luminous home throughout the universe.

Prayer to be Recited at the End of Communion to Reconcile with Jesus Christ

By His Sacrifice, we were liberated,
By His Wounds, we were healed.
By His Flagellations, we were forgiven.
By His Falls, we were elevated,
By His Cross, we were redeemed.
And now, by His Mercy, we are transfigured
and His Spiritual Light, we receive
so that, free of all adversity, we may walk
in the aspiration to one day again find Him,
in His Celestial Glory.

Amen.

I thank you for responding to My call!

Who blesses you, now and always,

Your Mother Mary, Rose of Peace
