Daily Message of the Virgin Mary, Rose of Peace, transmitted in Puerto Iguazú, Misiones, Argentina, to the visionary Friar Elías del Sagrado Corazón de Jesús

I Am the Sacred Mother of those who become consecrated, because when such a young soul, inexperienced and innocent, dares to take the steps and walk toward Christ, My Immaculate Heart pours joy and happiness over the world so that more souls dare to give their 'yes' to Our Lord.

Thus, children, I Am the Sacred Mother of those who become consecrated, because in young souls one can find the possibility of the Divine Countenance of Christ being reflected; a Divine Countenance that converts, redeems and consecrates what seems impossible.

I Am the Mother of those who become consecrated, because I protect and take care of those who are only beginning the pathway of a life consecration, so they may acquire inner strength and faith at the moment of taking new steps toward the Will of My Beloved Son.

I Am the Mother of those who become consecrated, at a young age, to a life of the infinite, to universal life, to the genuine search for the original purity existing in each soul and each being.

I Am the Sacred Mother of those who become consecrated to the knowledge of themselves and their own virtues, talents that My Son will come in search of in these times, to move forward with the preparation for His Return.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
