Daily Message of Mary, Rose of Peace, transmitted during the journey from São Paulo, Brazil, to Lisbon, Portugal to the visionary Friar Elías del Sagrado Corazón

I am the Guiding Star of the night, which lights the paths to lead My children toward the portal of Love.

Your Heavenly Mother, as promised, is returning to Portugal through Her pilgrim group, so that the great expansion of consciousness of the Kingdom of Lys-Fatima may be carried forward.

To all of you, as well as your brothers and sisters that will come on the sacred pilgrimage, I lead you to the inner gardens of Lys, so that original purity may once again be established in each soul.

Today, with gladness, rejoicing and inner devotion, your Heavenly Mother prepares Her coming to Portugal, so that more hearts may ignite again with love, truth and original purity.

Thus, I invite you, My dear children, to be joyful and available in each moment of the pilgrimage through Portugal, because in this way, you will have the Grace and the Mercy, as so many pilgrim brothers and sisters, of receiving the blessing of your Celestial Mother.

We continue in faith, in trust and in joy, because once again in Europe, My Immaculate Heart will triumph.

I thank you for responding to My call!

Who blesses and protects you under Her Divine Mantle,

Your Mother Mary, Rose of Peace
