DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

In this month of May is celebrated in Fatima the triumph of My Immaculate Heart, and all My children of the world are invited to make the Heart of Your Mother triumph in the life of each being of this planet.

At the same time, Aurora starts in May to emerge in the profound silence of its invisible Kingdom and, without noticing it, the hearts participate of a very special moment. Happy are those who are here today following without delay the redemptive Work of My Son, because the moment has come of the great correspondence of the hearts to the Plan of God.

So, dear children, this is how two important events manifest themselves in the world: first, the awakening of Aurora in each heart that has responded to the call and the summoning at the Marian Center of Aurora. Second, the congregation of souls in Fatima during May for this great moment in which humanity will remember and commemorate My arrival in Fatima to bring peace.

Now that everyone is invited to define their path for the Plan or for the common planetary life, the Lord calls you to respond to the call that comes from the Universe to try to save what is left over from this humanity.

During May you will prepare yourselves for what will come and that heart that is awakened will be able to recognize that it is necessary to respond and to comply with all the requests of the Divine Messengers at the right time.

Ask, in prayer, for capacity and interior wisdom to be able to correspond to what God demands, now this will be your duty.

I thank you for responding to My call!

Who awakens you to the real need of these times,

Your Mother Mary, Rose of Peace
