DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I once said to My apostles that they should give their lives for Me and I knew that at that moment they did not understand Me, and they ran away when I most needed them.

At that point, I knew that I should be alone among My enemies to be able to become christified.

Now, at this time, the situation is repeated, but with different events.

In a similar way, many, who should give their lives for Me, ran away with their own ideas and lack of understanding and left Me alone.

This test of loyalty to the Master is repeated, because it is the learning process for those who said that they were with Me, and that with different self-justifications, are not.

Before, I returned to My apostles and showed them that I was risen and that I was alive, as it had been promised; but now I will not be able to return to Mine to tell them that I am alive and that I am returning to bring them the Good News.

Each one of those who said that they would be with Me until the end, but who were overcome by a test that was stronger than their very love, they must testify before Divine Justice about their failures, their lies and their lack of repentance.

But who will save them?

All that was once given must be returned. Nobody will be able to turn their back and leave with their hands full, as if nothing had happened.

Therefore, I am preparing Myself for witnessing what will shortly come to those who abandoned Me and submerged themselves in their pride and arrogance.

Let us simply pray.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
