DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

After the hour of the Divine Mercy My Flow of pity and of reparation is inexhaustible, My Light expands to the infinite to be able to reach the hearts that most need it.

For this, if in another hour and moment you invoke the power of My Divine Mercy you will be returned to the origin of My Source of Primordial Compassion. Do not tire your beings with unnecessary situations. Place your attention on the Inner Christ of each soul so that you may always be able to see the light that My Heart radiates through each little server.

I ask you to be perseverant because the wiles of the enemy will be greater. But whoever has sustained the fire of devotion in the Inner Temple, no headwind or storm of evil will knock you down, because you will be supported by the foundations of love, of truth and of fidelity to Me.

Follow the path of sacrifice that I indicate to you. When you feel tired, rest. When you are joyful, really laugh, and, when you have encountered obstacles in part of your beings, thank the Father for being able to see with wisdom that which still must die from yourselves.

I sustain you. I will guide you until the end when you simply surrender to Me.

Under the Infinite Love of God, be blessed.

Thank you for remaining in My Heart of Light!

Christ Jesus
