DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In Argentina, companions, your Master and Lord will gather all the celestial powers to pour them out, as divine inner light, within essences.

So that this spiritual movement may be possible, your Redeemer will attract, from ancient sites of the Earth, the principles and attributes that conformed the first Hierarchic Brotherhood.

This means that the humanity from Argentina will enter into an inner communion with the patterns of behavior that were present in the origins of the Earth, patterns which formed the sacred spirit of the Brotherhood between the Heavenly Hierarchy and the former humanity.

But the most important event of all is that the devout hearts of Argentina, when receiving and recognizing the arrival of the Redeemer, will be able to remember within themselves the inner union with the Christic Love and, from there, get the strength to be able to cross and live these definitive times.

For this reason, the Celestial Father chose to be present in Argentina in the month of August, beyond any material and spiritual reason. He decided to congregate, for a divine reason, one of the first flocks of Christ.

Everything that is lovingly prepared, diffused and announced about the next Pilgrimage for Peace, as well as all the efforts that the servers from Argentina do in order to be able to be present in some of the meetings, will represent the absolute adherence to the proposal and intention of the Divine Hierarchy.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
