DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

While your voices sing to My Heart, serious faults are forgiven today through the flow of My Mercy.

On this special day of celebration, your Master stretches out His Arms to the world in order to bless and absolve it of its most recalcitrant mortal sins.

In this way, by the strength of the prayer of the prayers of the world, your Master and Lord has you all participate in an atoning communion for these times in which souls must achieve the highest degree of the Forgiveness of God.

Thus, on this day, in which My unfathomable Mercy grants sinners the forgiveness of their errors and the faults they committed, from the noble and simple hearts My Paternal Heart gathers the prayers which will help them, and their brothers and sisters, to continue ridding themselves of the chains of illusion and of perdition.

Who today may have inwardly conceived of the Grace of knowing My Divine Mercy, know that you will come to know it, not only by the power that it acquires, but also by the spiritual relief that it grants in those who trust in My Heart.

Thus it is today, that your Master and Lord grants you the Peace and the honor of the Mercy of God.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
