DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL. TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Sacred Land

My Land, which was Holy, is being attacked. The price of the blood spilled is not valued or appreciated and this provokes the Wrath of God and His Justice.

Brothers and sisters still hurt one another and amongst them is the war between religions, something that, since the Garden of Gethsemane, was already foreseen.

But now there are no values, because the attributes no longer exist, and as there are no attributes, there is no peace.

How will the offenses against the Heart of the Father, brought about by these events of today, be amended?

Not even God Himself, who shed His Blood and surrendered His Love, managed to calm the anger and the disorder of His children of the past.

This is the moment in which everything will be destroyed again, and when everything is destroyed, only then, those who wounded their brothers and sisters will perceive that hate and resentment distanced themselves from God.

For this reason, I will not expose the few and good sheep that I have, because the fierce wolf, the beast of war, will want to hurt them, and these are not just words, they could be facts.

I must protect with My commands that which is most precious and simple that I have.

Again, I will be able to send My Peace to that place from another point of the Earth.

O Israel, the Day of Judgement will come and all will testify to your failure!

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
