Daily Message received in the city of Medjugorje, Bosnia & Herzegovina, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

I do not wish you to someday feel frustration, discomfort or despair because of being tired, for I reached the cross being more exhausted and destroyed than all of you; that is why, on this day, you have the opportunity of suffering for Me.

I know that for your inner nuclei, it is sometimes too demanding, but it is time for you to see that you lack nothing, absolutely nothing, and that My Father Himself, through your Heavenly Mother, takes care of even those details.

Remember all those brothers and sisters of yours who have nothing, who receive nothing and who are in worse conditions of spiritual and material life.

I have called each one of you so that you give Me something from within you, and many have not yet given it to Me.

I do not seek your material or intellectual development. What I always seek is that your hearts, fully offered for humanity, also be with Me at this time in which perhaps your cells want or aspire to do other things.

I promised you My Kingdom through sacrifices bearable to you. Now is the time to offer yourselves completely into the Hands of your Redeemer so that miracles and greater interventions may take place.

I promised to tell you the truth; I recognize the other efforts, but today I need you to individually place yourselves before Me and ask Me: "Lord, what more should I do?".

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
