Daily Message of Mary, Rose of Peace, transmitted during the journey from São Gabriel, Rio Grande do Sul, Brazil, to the Marian Center of Aurora, Paysandu, Uruguay to the visionary Friar Elías del Sagrado Corazón

Do not fear; I am here and if I am here, so is God and all His angelic and archangelic universes.

If the beast is agitated, it is because it is losing the battle and its evil plans sink as if in quicksand.

Its defeat is near and all its plans will fall apart; nothing that comes from it will reign.

Your Mother spreads Her Mantle and, under it, shows you Her fourteen Swords, which will cut and dissolve the fourteen aspects of the adversary.

The Creator Fathers will use the fourteen Swords to defeat the enemy, and all of its invading kingdom on the surface will destroy itself, because the love of hearts will reign, and swords will no longer oppose swords.

The new Goliath will be defeated and thrown into the abyss, until the time of its universal judgment arrives.

Meanwhile, I will give My Crown of Stars to those who follow Me unconditionally, and My Crown of Light will guide you on the paths and towards the virtues of the New Jerusalem. In this way, you may come to know the Gifts that God will give to the new world, finally freed from the evil one and its constant condemnation.

The planet will be born again and the Christs, together with My Son, will fulfill the prophecy of the thousand years of peace.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
