DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MUNICIPALITY OF SÃO JOÃO BATISTA, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through the intra-oceanic Mirrors, the spiritual Hierarchy can intervene in humanity, since these non-material instruments of capture of cosmic light have the capacity of dissolving or ennobling a planetary situation.

To be before a Mirror is to be before a non-material and cosmic Source originated in the beginnings of the creation of the Universes; this means that the human consciousness in these times is facing a mystery that is revealed and demonstrated through knowledge and instruction.

The intra-oceanic Mirrors are bearers of ancient and eternal knowledge, materialized by the impulses that the Divine Consciousness, the Father, or the Primordial Source once emitted, before the Mental and Material Universes existed.

The Mirrors are emanations of the Creator Source Itself that, once placed on the different planes of consciousness, act and work by means of divine intelligence in order to allow the awakening and the redemption of the Universes, as well as of the humanities that deviated essentially from the Greater Will.

The power of light expansion and retransmission of the Mirrors is still unknown to surface humankind; but the moment will come when those connected to the Spiritual Hierarchy will receive, personally, the knowledge of these tools so that, by means of the Mirrors in their various manifestations, they may support the transition of the Earth through the Mirrors of the Universe.

The formation of mirror-beings will be expanded as from the next cycle, given the need for the balancing of the planet.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
