DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Carrying out the works to improve the roads that lead to the Marian Center of Aurora, with time and dedication, and with the help of the servers from Uruguay, Argentina and South Brazil, the souls will show the universe, on behalf of many more, that they will accept and aspire for the permanence of the Divine Hierarchy, especially, the Presence of God in Uruguay.

Although My Church lies within this country, the inner warmth that the souls give Me here is not enough. I only feel plenitude when pilgrims arrive at the Marian Center of Aurora in order to acknowledge and confirm My Presence.

Important hierarchs of My Church could have avoided the condemnation of these people instead of persecuting Me again, as they have done with this Work, by being sensationalistic and omitting the barbarities that the people have accepted to assume, for instance, by means of abortion.

My Church, instead of caring for the perdition of the souls, has shut the doors to many hearts that should arrive in Aurora in order to meet Me.

What a condemnation!

This is why I humbly serve Myself of those who truly follow Me in this time, knowing that all I desire for Uruguay is great and infinite.

Carrying out the reconstruction of the physical roads of Aurora, the groups will allow My presence to be here in spite of the indifference and, above all, may the road to be fixed by the servers be the symbol of the correction of distorted ways of this poor nation.

I thank you for obeying Me.

Who blesses you

Your Master, Christ Jesus
