**DAILY MESSAGE RECEIVED OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZON DE JESÚS**

**To those who have already awakened - Part 2**

To those who have already awakened, it is up to you to sustain the flame of faith for those who do not succeed on their own.

To those who have already awakened, it is up to you to confirm yourselves before the Hierarchy every day, so that the impulse of constant renewal may never be lost.

To those who have already awakened, it is up to you to respond immediately, knowing that each lovingly offered assistance builds and manifests the Plan.

To those who have already awakened, it is up to you to be humble and to empty yourselves a little more each day, so that the fire of service may separate you from convenience and indifference.

To those who have already awakened, it is up to you to always say yes, so that all that is in the Heights may descend completely upon the world, without obstacles or interferences.

To those who have already awakened, it is up to you to be wardens and guardians of all manifestations, that is, of the Marian Centers and of the Light-Communities, because this will allow the Hierarchy to always be present, since this attitude of care and maintenance of the manifestation will be the reflection of what there is in each inner being.

To those who have already awakened, it is not for you to complain or judge. It is understood that those who have already awakened are considered souls in service and possible Christs of the new time.

To those who have already awakened, it is not up to you to lower your aim, but on the contrary, to maintain the aspiration on the Heights so that the treasures of the Father may continue descending upon humanity.

To those who have already awakened, it is up to you to be patient, kind and persevering, and in everything to place the Love taught by Christ.

To those who have already awakened, it is not up to you to omit, lie or influence. A being who has already awakened to the Hierarchy works daily on their inner transparency and their constant purity.

To those who have already awakened, it is up to you to be faithful to the Hierarchy and to eradicate any betrayal. This will help the treasures of the Hierarchy to be in good hands.

To those who have already awakened, God alone is enough and nothing else, for in God you will

find all that you need and thus you will be free of self, totally donated and confident that all is in the Hands of God, a sincere expression of His Divine Will.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
