WEEKLY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

On this special and spiritual day, the three Sacred Hearts again unite and come together out of love and for the redemption of this humanity and planet; and each of the Sacred Hearts emit and send a special impulse for all human consciousnesses.

This is the new cycle of the Sacred Hearts, a cycle that will bring the last instruction and warnings for humanity so that, after so many years of work and of service with us, the apostles of Christ may finally be available, prepared and conscious to move forward with the sustenance and immediate support of the Islands of Salvation, which will receive the consciousnesses that will also awaken to the path of the Spirit, as well as those souls that will be rescued from various situations and causes.

Thus, this is the cycle in which the message of the Sacred Hearts is to be lived in daily practice, so that the spiritual attributes and keys that the messages of the Hierarchy hold may be activated and be at the service of the great planetary need.

This is the time to perceive that humanity is approaching its last and most acute stage of purification, and all that will be done, experienced or practiced will contribute to alleviating the Kingdoms of Nature and the most lost souls.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
