28 Special Message of Mary, Mother of the Divine Conception of the Trinity transmitted in the National Sanctuary of Aparecida, São Paulo, Brazil, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

As the Lady Aparecida I give you My Peace and My Blessing from the Merciful Heart of My Resurrected Son.

Today I call you, dear children, to live the flame of redemption through this day of prayer and peace that is necessary for these times in order to live a true conversion. Today also, My little children, I thank you for having responded to My call, because God Omnipotent, by means of the presence of My Immaculate Heart, sends you the plenitude of Forgiveness and Grace for reencountering the path through the call of the Faithful Servant of God.

I want to tell you, My children, that the Lord Christ, through the response of all, is pouring His Infinite and Divine Mercy over some nations that need absolute forgiveness. Through the "yes" of all My dear children and through the intercession of My Immaculate Heart, I have received the faithful permission before God so that millions of lost souls, throughout this final time, may be touched by the Light of My Maternal Heart.

Dear children, because of the response of this part of humanity, My Plans of Peace are descending upon the world. This means, My children, that the sincere prayer of all of you and of all the faithful to My Immaculate Heart has allowed, once more, the victory of My Immaculate Heart and the triumph of the Plan of God in this cycle of tribulation.

Because of all this, dearest children, I call you to visit time and again and according to the possibilities of each heart, this Sanctuary of Aparecida, dedicated to the humble honor of My Immaculate Heart.

Come to Me through the Sanctuary of Aparecida, because on this path you will be collaborating in the salvation of those who are most lost and far from God.

Unite to the consoling principle of My Heart so that in renovated faith of all My children, hearts may arrive towards the Kingdom of the Father, which is equal and humble for all, where the Love of My Son reigns.

Carry in your lives the strength of My Heart and may this attribute give you the opportunity to live the eternal state of forgiveness.

Thank you, little children, for responding to My call.

I thank your hearts, in the Peace of My Heart.

Mary, Mother of the Divine Conception of the Trinity,

the Blessed Aparecida of Brazil
