DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I purify your hands, so they may be free of self and gifted to the All.

I purify your feet with the Water of Life, so they may be clean and free at the moment of walking toward peace.

I purify your hearts, so they may be free of all stain and thus have great and expansive feelings of love.

I purify your eyes, so they may see God in every place.

I purify your ears, so they may inwardly hear the Sacred Word of God as unique and true.

I purify your mouths, so they may pronounce elevated vibrations, and that silence may penetrate into the depths of each being.

I purify each aspect of your beings, so that in the morning you may be free of everything, of any tie or any prison.

I purify, purify and purify in order that your souls govern, and your divine essences emerge into the awareness of each being.

After purifying you, I will definitely consecrate you so that you may be instruments and examples of the total human redemption. That will be the testimonial of the inexplicable victory of your Heavenly Mother in this humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
