DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May the Grace of God descend upon all families of the world. May hearts learn to mutually love, respect and serve one another, for the purpose of drawing a new life to the Earth.

May the Grace of God dispel from the hearts of the youngest the disrespect and the lack of love they have for their parents.

May the Grace of God dispel from within parents the feeling of possessiveness and lack of understanding concerning their children.

May each being have an open path for the fulfillment of their spiritual mission, and may spiritual and inner debts not be a reason for human separations, misunderstandings or an incapacity to forgive.

May the members of the same family elevate each other so that, in this time, they may be ready for what will come.

Pray, children, everyone pray for peace.

Today's families are the foundation for tomorrow's new life, and if you want to see the new time and the new humanity emerge upon the horizon of the world, you must pray so that these may be held as sacred principles for life, as the bases for a New Earth.

Pray, children, from your heart, so that a new pattern of life may be instituted upon the Earth, and love may triumph in the hearts of humankind.

Pray, and do not forget to pray.

Your Father and Friend,

The Most Chaste Saint Joseph
